

Is it time to change school start times?

Tuesday, November 3, 2015

South Campus High School Commons

4001 Saunders Boulevard

6:00 p.m. & 7:00 p.m.

(The same information presented twice)

The Campbell County School District is considering having secondary students start classes later in the morning and elementary students to start classes earlier. Please attend one of these public meetings to receive information and provide feedback.

Medical studies have shown that sleep deprivation impairs a student's ability to:

- **be alert**
- **solve problems**
- **cope with stress**
- **retain information**

Older students can suffer drowsy driving, emotional and behavioral problems and lower academic performance.
