

Call to Order

The meeting was called to order by Chairman Jennings at 7:04 p.m. in the Board Room at the Educational Services Center with the following trustees also present: Lisa Durgin, David Fall, David Foreman, Anne Ochs, and Andrea Hladky. Deb Hepp was excused.

Others present: Dr. Boyd Brown, Superintendent of Schools; Dr. Alex Ayers, Deputy Superintendent; Mr. Kirby Eisenhauer, Associate Superintendent for Instructional Support; Mr. Larry Reznicek, Manager of Human Resources; Mr. Frank Stevens, attorney; and Meldene Goehring, administrative assistant.

Also present: Kathy Brown, Jeff Wasserburger, JuLan Decker, Marie Dickey, and Karia Schofield

Celebration

Public relations director Jeff Wasserburger presented activity director Cliff Hill who presented the following for celebration:

Campbell County High School Future Business Leaders of America (FBLA) coach Sherilyn Senef presented volunteer coach Andrew Borgelli and student members of FBLA. All eight students placed in the finals at state, and seven of the students qualified for nationals.

Campbell County High School cheerleading coach Allison Oltmanns presented assistant coach Dustine Poppleton and squad members. The cheerleading squad placed fifth at state.

Campbell County High School boys basketball coach Bubba Hladky presented assistant coaches Mark Miessler and Jim Hinshaw and team members. The boys basketball team was runner-up at the state championship. Coach Hladky was named Boys Conference Coach of the Year.

Campbell County High School girls basketball coach Mitch Holst presented assistant coach Kevin Kline and team members. The girls basketball team are the 2015 state champions. Coach Holst was named Girls Conference Coach of the Year.

Public Hearing

There was no testimony presented in continuation of the public hearing on two high schools.

Facilitator Report

Performing arts facilitator Marie Dickey and instrumental music teacher Karia Schofield updated the board about the curriculum. Fifth and sixth grade students will choose to take either a vocal music, band, or orchestra class. The number of students choosing an instrument is high, causing a lack of instruments. Some students can't play the instrument they want, so they drop out of the program. An Ed Plan request has been submitted for funding to purchase additional instruments.

Public Comment

Marie Dickey-I am very much in favor of having two high schools. If we go to two high schools, we should have a district music library rather than having music materials at each school.

JuLan Decker-I appreciate everything the board does. It is difficult to make decisions, but they have done an excellent job of filtering through information.

CONSENT AGENDA

It was moved by Mrs. Durgin and seconded by Mr. Foreman to approve all items listed on the consent agenda. The motion carried.

Minutes Minutes of the March 10, 2015, Board of Trustees meeting were approved.

Employee Actions The following actions taken by the Human Resources Department were approved:

10. Cardio Equipment Preventive Maintenance with Push-Pedal-Pull

Textbook Adoption

The following textbooks were adopted:

- *Introduction to Culinary Arts-2nd Edition*, Pearson Education, 2015 Estimated Cost \$9,108.45
- *United States History*, Prentice Hall, 2013 Estimated Cost \$25,463.71
- *Foundations of Economics 7th Edition*, Pearson Education, 2015 Estimated Cost \$3,563.35

Isolation Request

The isolation application for Maureen Oedekoven was approved.

**CONSENT AGENDA
ENDS**

Title I Update

Steve Anderson updated the board on the status of Title I schools. Schools with over 35% of students on Free and Reduced Lunch qualify for Title I services. If a school has 40% or higher of students on Free and Reduced Lunch, they can apply for Title I School Wide status. For the 2015-16 school year Rozet and Little Powder will not be Title I schools. Prairie Wind and Recluse will be Title I schools.

Policy Regulations

Kip Farnum asked that Policy Regulation *5202-R, Stock Epinephrine Auto-Injectors (Lifesaving Emergency Medications)*; and changes to Policy Regulation *5201-R, Students With Life-Threatening Allergies or Other Special Health Care Needs*, be pulled from the agenda for additional editing. The policy regulations will be brought to the board for approval at a later date.

Facilities Report

Mr. Eisenhower updated the board on current construction projects.

The Madison water project will be completed on April 1. The district will continue to provide bottled water until fluoride levels are safe for young students.

The South Campus construction project bid came in over budget. Mr. Eisenhower is meeting with the School Facilities Department on March 27 to discuss the issue.

Comments from Trustees

Mrs. Jennings has been invited to attend the Tour 23 meeting.

Adjournment

With no other business before the board, the meeting was adjourned at 8:03 p.m.

Chairman

Clerk
